**Dr. Robert
Scott Bell,
D.A., Hom.**

Dr. Bell is a homeopathic practitioner, an author and an expert in silver. As a keynote speaker, lecturer and educator, he shares his expertise and practical experience with a broad range of audiences from Health Care and Wellness Professional forums, to Natural Industry trade and consumer shows, addressing those who are seeking the depth of his knowledge, education and key insights from his years of holistic practice. He hosts the popular Robert Scott Bell radio show where he discusses everyday health issues from the perspective of alternative and holistic health care.

Dr. Bell overcame 24 years of chronic illness by learning and applying previously hidden natural healing methods. With his passion for health and healing unmatched by anybody else on radio, he has since dedicated his life to revealing the healing power within us all. His show is heard on radio affiliates throughout the USA, and can be previewed on www.robertscottbell.com
